Inspire. Innovate. Achieve.

The mission of CFF is to unite business, education, and community leaders in creating innovative learning environments in San Diego public schools that prepare our students to thrive in a global, competitive society. We believe every student deserves to leave high school with the skills necessary to pursue their dreams and succeed in college and career.

CFF is an extension of the San Diego County Office of Education and is known for being the convener of business, community, and educational leaders around innovation in education. Moreover, CFF is a catalyst and champion for the creation of learning programs that apply proven business and technology-based practices in the school setting. CFF is also a trusted resource for our 42 school districts, and a thought leader on innovation in the classroom.

Classroom of the Future Initiatives

College & Career Pathways Initiative

CFF and industry partners work together to provide college and career pathways opportunities for all San Diego students, with a focus on providing best practices, world of work experiences for students, educator capacity-building, and fostering partnerships between school districts and businesses. This initiative includes the following programs:

- High Tech Academic Achievement Scholarship Program
- Career Discovery Cybersecurity and Blue Economy Experiences
- Teacher Externship Program

Innovation in Education Initiative

CFF accelerates innovative K-12 practices that promote personalized learning, the effective use of technology in the classroom, with a focus on educator capacity-building and matching business expertise with the needs of schools. This initiative includes the following programs:

- Innovation Grant Program
- Innovative Educator Program
- Accelerator Initiative

Reach Your Target Market

The 17th Annual Innovation in Education Awards Event is a great opportunity for networking. The event will bring together key businesses from around the country, Superintendents from our 42 San Diego County school districts, representatives from the San Diego County Office of Education, and many teachers, parents, and students. The expected attendance for this event is 450+ people.
