

# 2<sup>ND</sup> ANNUAL CAREER PATHWAYS SUMMIT

## ***WE NEED YOUR HELP!***

On behalf of the Classroom of the Future Foundation (CFF) and our generous partners, we ask for your help in expanding career pathway opportunities for all students in San Diego County.

**Can we count on your school district or organization to help?** Closing the work-based learning opportunity gap requires the entire region to come together for our students.

### **Please check areas of interest below:**

#### *Educators:*

- Host a guest speaker in your class
- Participate in a job shadow/organization tour
- Host a mentor at your school site
- Incorporate a community or industry project into your classroom

#### *Community Leaders:*

- Be a guest speaker in a class
- Mentor a student at a school site
- Provide a project that students can work on in school
- Participate in a job shadow/organization tour
- Provide feedback on a student product or presentation
- Provide unpaid or paid internships to students

## 2<sup>ND</sup> ANNUAL CAREER PATHWAYS SUMMIT

All:

- Attend a Career Pathways Networking Event in November 2017
  - Support INFORM Journeys by learning more about the platform
  - Participate in a teacher externship program
  - Make an investment in collaborative career pathways projects that fill the gaps in our region
  - I need more information before we can commit to any of the above*
