About #InnovateSD Live

- Exclusive virtual summit on November 1, 2018, hosted by SDCOE's #InnovateSD Office. All proceeds benefit the Classroom of the Future Foundation.
- This first-ever virtual summit will bring together educators from San Diego County and around the world to explore how we can scale, support, and develop innovative classroom programs.
- The summit will disseminate information on important topics such as **IT, EdTech, CTE, VR/AR, and Emerging Technologies** through various strands, showcasing innovative approaches, technologies, and solutions.
- Opportunity to connect during and after the summit with district administrators, principals, and teachers from San Diego County and around the world.
- Opportunity to have your on-demand session featured on #InnovateSD and CFF websites.
